

May 16

We hope all had a beautiful Mother's Day! Did you receive a book on this special day? Hopefully you found some time to just relax, read, and enjoy the day!

We are proud to announce that the Chrisman Public Library now has a WEBSITE thanks to Matt at Tech Doc in Paris and the technology grant we received last year! Our website is: <https://chrismanpubliclibrary.com>

And we have a new email address, as well: info@chrismanpubliclibrary.com

We would really enjoy it if you would look at this website and call or email us with any changes or additions you would like to see. We've looked at so many other library websites and want to incorporate as much as we can for the ease of our patrons using it and seeing what we do here.

The fifth story is in the Story Walk entitled "Grandma's Farm", written by Michael Garland! It's a wonderful book about a Grandma and grandson and tells of what the farm was like when Grandma was living there with her family and the cows, pigs, sheep and vegetable garden! We hope to see you walking around the square enjoying this delightful book that was purchased in honor of Mr. & Mrs. Curt & Phyllis Turner. If you know them, please tell them "Thank you"!

UPCOMING MAY EVENTS

May 18 is Peace Day. Wouldn't it be lovely if every day was Peace Day? One can wish.

May 26 is Memorial Day and the library will be closed so we may honor and remember those who died in military service to the United States. Also, at 3pm, on this day, Americans observe the National Moment of Remembrance — a one-minute pause to honor and remember those same servicepeople who died in service to the United States.

May 27, a representative from State Representative Adam M. Niemerg's office will be here from 12:30pm – 1:30pm to give out answers to questions that were asked last month. All are welcome! Bring more questions!

May 29 is the Great Puzzle Race at 5:30pm. As of this writing, we have our six teams but we have a waiting list to feel free to call us to be put on that list. If we know of a cancellation, we will call you and let you know.
