

Another Chrisman Days is in the history books! And another successful book sale for the Chrisman Public Library! Thank you to all the people who came to visit, enter our 50/50 raffle, get book bags, books, DVDs and cookbooks and helping us to surpass last year in a big way! Thank you to Jolee, who picked the winning 50/50 raffle ticket! Congratulations to Ben Jenness who won! Thank you to Kristie (Krabel) Booker and her family for spending time with us, while Kristie autographed her books, "Blooming into Life" and "Summer in the Moon Garden"! The library has her books in the library, but are popular and may be checked out! Thank you to all the volunteers and Board Members who helped before and during the sale, as well as after to box up the remaining books to store for the Library Crawl, that begins October 1! Again, thank you to the FFA for helping us set up! And thank you to the Chrisman Area Community Club who chose the Chrisman Public Library librarians to be Grand Marshals in the parade! It truly was an honor!

The Library Crawl begins October 1 and runs through October 31! 197 libraries are participating in the 7th Annual Illinois Heartland Library System (IHLS) Library Crawl and we hope you come into our Chrisman Public Library and get your passport to begin your travels! We don't have "things" to give you as a gift, but our gift to you will be one book, of your choice, from the tables we will have set up in the front of our library! Hope to see you here!

Mark your calendars! October 14 we will be hosting a "Chat with Marie Malone", a local Chrisman author, who has written three books! There is "The Inheritance", "Facing Fears" and "Unexpected Blessing", which has just been released! All are available in our library! We will keep you informed!

May all you readers have a wonderful and blessed week!
