

We hope you're enjoying the unseasonal fall weather and watching the trees begin to change color!

Thirteen kiddos enjoyed Story Time on Thursday, September 18 and our first guest reader, Mr. Loschen, superintendent of Chrisman Public Schools, read due to Miss Kara being on sick leave for her foot! (Miss Kara is sporting a pretty hot-pink cast!). The books read were "Strega Nona's Harvest", written by Tomie dePaola and "Possum's Harvest Moon", written by Anne Hunter, which were about, what else, harvest and the harvest moon! The children then trooped into the back and made their own ear of Indian corn as well as receiving a real ear of Indian corn! All went home happy with their craft, treats and drink! Thank you, Mr. Loschen, for taking the time to read to our kiddos!

Adam Niemerg was represented by Linda Lane on Tuesday, September 16 to answer questions from the community as well as supplying information helpful to the Chrisman voting public. Thank you to Linda and her husband for spending time with us at the library! We look forward to the next visit!

May all you readers have a wonderful week!
