

Chrisman Days begins today and runs through Sunday! There are so many things happening: garage sales around town, bake sale by the American Legion Auxiliary today and tomorrow, the car show, tractor pull, fun for the children, food and craft vendors, raffles and so much more. On Sunday, September 7, an all-denomination Church service will be held at 10am in the City Park featuring "The Kramers"! There is a lunch following at the American Legion. And of course, today and Saturday is our annual book "sale"! There will be children and adult fiction and non-fiction, DVDs, puzzles, cookbooks, etc., all for a free-will donation! We are also having a 50/50 raffle and the drawing will be held Saturday, September 6 at 2pm! The tickets are: 1 ticket for \$1, 6 tickets for \$5, 15 tickets for \$10 and 25 tickets for \$20! ALL proceeds will benefit the library to allow new books, programs for the children and adults, and help us keep our doors open for our community!

The Great Puzzle Race was held Thursday, August 28 and we had 4 teams with 13 total puzzlers in attendance! Once again, with a time of 26 minutes, Barb, Beth, Connie and Gloria won! Four months in a row! September is the last month before the Championship race so we hope you will join us!

We would like to congratulate all the Chrisman sports teams for practicing and playing with all the different weather conditions! Whether they won, lost or tied, the Chrisman Community is proud of all of the players for representing our city! BRAVO!
