

We hope you had a wonderful Thanksgiving with your family and friends! And now that Thanksgiving is over, everyone is getting ready for the Christmas holiday, we're sure! Remember, books make a terrific Christmas gift, whether the recipient is 3, 33 or 83 years of age!

The C & S Ag 4-H Club has placed a donation box inside the library! They are asking for donations of nonperishable foods to benefit the Chrisman Food Pantry! The last day to drop off your donation is Monday, December 15, so let's load them up for their service project!

This weekend the library will be transforming the library into a Christmas Wonderland and we hope you get the chance to stop in or drive by next week to see all that we accomplished! We will have "stationary" available for the children to write letters to Santa and place them in the North Pole mail box so we can get them sent off to Santa!

Mark your calendars for Christmas in Chrisman, being held on Wednesday, December 3 beginning with the Chili supper at the American Legion. The parade will start at 7 and Santa should arrive at the American Legion afterward so the children wanting to tell Santa their wished-for-gifts will have that opportunity.

We have some new adult fiction books by new authors and favorite authors so we hope you'll come in to check them out. They are:

- "Let's call her Barbie", written by Renee Rosen
- "The Librarians of Lisbon", written by Suzanne Nelson
- "The Millionaires", written by Brad Meltzer
- "The Paris Daughter", written by Kristin Harmel
- "Strangers in Time", written by David Baldacci
- "Texas Tycoon", written by Diana Palmer
- "Thinner", written by Stephen King
- "Craven Manor", written by Darcy Coates
- "The House Next Door", written by Darcy Coates
- "Falling Stars", written by Fern Michaels
- "One Golden Summer", written by Carley Fortune

We hope you have a wonderful and amazing week! Hope to see you at the library!
