

Chrisman Public Library News  
January 16, 2026

We hope the New Year is being kind to you! The Chrisman Public Library has had a change. Miss Kara, our beloved librarian, retired from the library at the beginning of January to spend time with her family and travel. We are sad to see her leave but we're happy for her and wish her well!

The Story Walk has been in existence for a little over a year! Can you believe it? We've had some great books out there and we have a new one! "Duck on a Tractor", written and illustrated by David Shannon, is about a duck, driving a tractor with all his farmyard friends aboard and traveling into town! It's cute, whimsical and the illustrations are amazing! Come up to the square and read about the amazing duck and his friends! And thank Ms. Karen Todd, if you see her, as the book was purchased in her honor!

The Chrisman Page Turners met on January 7 to discuss "The Autobiography of Santa Claus", written by Jeff Guinn and 'hosted' by Bridget Spillman, with 13 in attendance. Wonderful questions, great answers and several of the readers who didn't particularly enjoy the book, pleasantly changed their minds when they heard how others portrayed the book! That's what is so nice about book club! Everyone brings their own thoughts and ideas and we all listen! Thank you to Bridget and Donna, who brought snacks which are always welcome and appreciated! Our next meeting is February 4 at 6pm where we'll discuss "Mad Honey", written by Jodi Picoult and 'hosted' by Rose Hollingsworth!

The Great Puzzle Race will begin again on Thursday, January 29 at 5:30pm! Teams are limited to 2-4 players and six teams are the most we can handle. Please give a call or stop in to sign up your team and we look forward to seeing you!

We hope you have a wonderful, safe and amazing week! Hope to see you at the library!
