

Chrisman Public Library News  
February 27, 2026

Chrisman Public Library has added a new section to our library! We now have a Puzzle Library! We have numerous jigsaw puzzles for adults and children that we are willing for you to borrow, not check-out, and when finished, you return them back to us! We have 1,000 – 300 pieces for adults and 100 – 24 pieces (some are floor puzzles) for children! We're very excited for our patrons to come in and pick a puzzle to take home and enjoy the challenge of putting it together! We can't guarantee that all the pieces are in the box and we have a baggie with a few miscellaneous loose pieces so if your puzzle is missing a piece, let us know and maybe we'll be able to fill in your puzzle! This is also great practice for those of you who might be willing to join us for the Great Puzzle Race, which is the last Thursday of each month thru September!

We had our second round of Yoga here at the library on February 17 and we had a few more people attend Tricia Walter's "chair" yoga, and "regular" yoga classes! The writer of this article had never done yoga before and noticed slight differences, all good, after each class and even felt taller each week. The cost is \$10 per session and we hope many more will take part in this wonderful opportunity! Hope you join us at 5pm for "chair" and 6pm for "regular"! It truly is energizing! The next Yoga class will be Tuesday, March 3!

The Chrisman Page Turners book club will meet on Wednesday, March 4 at 6pm and we are reading "The Immortalists", written by Chloe Benjamin and it will be "hosted" by Tricia Walter. The library has some of these books, ready to be checked out! April 1<sup>st</sup> is the next book club meeting and we will be reading "West with Giraffes", written by Lynda Rutledge and "hosted" by Barb Oates.

Story Time on February 19 welcomed guest reader Miss Kara who read "One Winter's Day", written by M. Christina Butler and "Frog in Winter", written by Max Velthuis. The stories were about friendship, compassion, generosity and the arrival of Spring! The children then created a Winter Tree with snow, animals that live or visit around the tree and the potential of Spring arriving showing buds on the tree! After being creative and checking out books all went home happy with snacks and drinks! Our next Story Time will be on March 5 at 3:30! Hope to see you here!

On March 10, DeAnna Kraay, a Community Development Coordinator from Conxxus, will be coming into the library to talk to community members about the benefits of changing to Conxxus versus all the other internet, TV, and phone companies. We hope, if you have questions, that you will join us!
